FOREIGN NEWS.

DUBLIN, May 4.—It is confidently stated here that Peter Tyuan is now in London, and is communicating with the police with the view of turning informer, as Carry did.

King, Healy and Gibney, charged with conspiracy to murder Poole, were arraigned again to-day for examination. An informer named Lurie gave testimony affirming the existence of a "Vigilance" murder circle, to which he said the prisoners belonged.

The prisoners were remanded for a week.

George Smith, one of the men in custody on the charge of being implicated in the conspiracy to murder government official, has been discharged, he having agreed to emigrate.

PENAL SERVITUDE FOR LIFE.

DUBLIN, May 4.—Lawrence Hanlon, who was placed on trial yesterday, charged with attempting to murder the juror, Dennis Field, was found guilty this morning and sentenced to penal servitude for life.

The Freeman's Journal says: "The dynamite plot hatched in America was betrayed to the British Consulate in New York, and the name of every conspirator who came to England, and of the ship on which he sailed, was cabled to England directly after the vessel left New York. The police watched the conspirators from the moment they landed in England." The Journal further says: "Members of the Government Council of the conspirators could alone have given such information."

LONDON, May 4.—At a conference of members of the Irish Nationalist party of London it was resolved to organize a fund for the relief of the families of persons who have fled the country or been arrested in connection with the murder of the Lord of the Isles. It is computed that six hundred families have been rendered destitute by the flight or incarceration of their bread-winners. An address will be issued to Irish Nationalists in America and the British colonies, appealing for contributions to the proposed fund, and delegates will be sent to them to set forth the need for speedy assistance.

LONDON, May 4.—A report is in circulation here to-day that the government had received a cable dispatch from New York, stating that Walsh and Sheridan had been arrested by the American authorities.

What the great restorative, Hostetter's Stomach Bitters, will do, must be gathered from what it has done. It has effected radical cures in thousands of cases of dyspepsia, bilious disorders, intermittent fever, nervous affections, general debility, constipation, sick head ache, mental despondency, and the peculiar complaints and disabilities to which the feeble are so subject. For sale by all druggists and dealers generally.

A Common-sense Remedy.

SALICYLICA

No More Rheumatism, Gout or Neuralgia.

Immediate Relief Warranted. Permanent Cure Guaranteed.

Five years established and never known to fail in a single case, acute or chronic. Refer to all prominent physicians and druggists for the standard of Salicylica.

SECRET:

THE ONLY DISSOLVER OF THE POISONOUS URIC ACID WHICH EXISTS IN THE BLOOD OF RHEUMATIC AND GOUTY PATIENTS.

Salicylica is known as a common-sense remedy, because it strikes directly at the cause of Rheumatism, Gout and Neuralgia, while so many so-called specifics and supposed panaceas only treat locally the effects. It has been commended by eminent scientists that outward applications, such as rubbing with oils, ointments, liniments, and soothing lotions will not eradicate these diseases which are the result of the poisoning of the blood with Uric Acid.

Salicylica works with marvelous effect on this acid, and removes the disorder. It is now extensively used by all celebrated physicians of America and Europe. High Medical Academy of Paris reports 95 per cent cures in three days.

REMEMBER

That Salicylica is a certain cure for Rheumatism, Gout and Neuralgia. The most intense pains are subdued almost instantly. Give it a trial. Relief guaranteed or money refunded. Thousands of testimonials sent on application.
